DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 8, 15, 22, and 29-34 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The instant application is deemed to be directed to a non-obvious improvement over the invention patented in Shakib (US 5,778,213). The improvements comprising, in claims 1, 8, 15, 22, performing a logical mask between a universal code for at least one of the characters of the message an indicator in the character table bank, computing a weighted total number of characters matched by applying a weighting factor to the total number of characters matched, in claim 29, receiving an indicator from the character table bank, corresponding to a pre-determined character set in which the character as input can be rendered, determining a character set in which **the plurality of characters can be rendered**. In claim 32 the combination of individually comparing each of the characters to a plurality of pre-determined candidate character sets, identifying predetermined candidate set(s) capable of expressing each of the characters of the message, and performing a logical operation to determine pre-determined candidate character sets best suited to express the message.

3. Claims 30, 31, 33, and 34 are allowed as their parent claims are deemed allowable.
4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
